SECRETARY REPORT

We are currently looking for a new maintenance technician. Marshall is no longer with us. Gainesville has been providing help from one of our maintenance guys for emergencies. The Board approved CHA entering into a contract with Mike's Heating and Air to provide routine maintenance services for a flat monthly fee. After-hours calls will be handled by GHA employees.

The Commerce Credit Card was cancelled, and we received a new debit card. All previous employees have been removed from the account.

The City is willing to let CHA improve the basketball court and playground at Belview. We will continue to assess the project.

The software conversion is mostly completed and is operational.

We will be working on major updates to Bellview as units become vacant. We have started the installation of the new HVAC units at Belview. We hope to have all the units replaced by the end of May.

We are starting to gather information for the audit that we anticipate beginning in a few weeks.

NEW BUSINESS

On motion made by M. Morris and seconded by L. Potts the Board agreed to renew the Authority's investment CD.

Ayes: M. Morris, L. Potts, S. Strickland

Absent: T. Spear

There being no further business, on motion made by M. Morris and seconded by L. Potts, the meeting was adjourned.
